## SYVCA Middle School Reading Suggestions

Sorted by Book Level

Parents: This is a compilation of book suggestions from another Christian school as well as some parents of our students. The Christian Academy does not endorse this list. We recommend that you research the individual books your son or daughter chooses. Sites such as commonsensemedia.org or amazon.com will help you to learn more about a book, so that you may decide as a family on appropriateness of content. Also check both the title and author to ensure you have the correct book.

The web site [www.arbookfind.com](http://www.arbookfind.com) has more information about these books as well as detailed search capability which may be helpful, too.
